

**World Health Day**  
**“Health for All – Universal Health Coverage: Everyone Everywhere”**

---

<b>Date</b>	5 <sup>th</sup> and 6 <sup>th</sup> (1/2 day), April, 2018
<b>Timing</b>	08:30-16:30 (5 <sup>th</sup> April) and 08:00-13:30
<b>Venue</b>	SOKHA Hotel, Phnom Penh
<b>Co-organized</b>	Ministry of Health/DPHI, WHO, JICA and GIZ
<b>Funded by</b>	WHO, JICA and GIZ
<b>Participants</b>	120 participants: Central Ministry of Health, National Centers, National Hospitals, Provincial Health Departments, Training Institutions, Ministry of Economy & Finance, the National Council for Social Protection Secretariat, Ministry of Planning, NSSF, Health Professional Associations, and Development Partners.

**Objectives**

1. To celebrate the progress Cambodia has already made towards UHC in terms of financial protection, service coverage, quality and equity.
2. To reflect on the global context towards UHC and consider the progress of other countries in the region towards UHC, drawing lessons for Cambodia.
3. To share recent evidence and analyses from the Government of Cambodia and partners on aspects of efforts towards UHC.
4. To identify key challenges and how these can be overcoming in terms of key next steps to realize Cambodia’s vision of UHC.

**Expected output:**

1. Understanding of current status of UHC in Cambodia, including current initiatives and key challenges
2. Understanding of key regional experiences that can inform Cambodia’s progress on UHC
3. Agreement on a roadmap towards UHC in Cambodia, with identification of key milestones
4. Meeting report describing outputs 1-3
