

Revisiting P4HC+ Modus Operandi

November 22, 2017

Participants: GIZ, ILO, World Bank, JICA, WHO, UNICEF, DfAT, USAID, SDC

Section	Suggestions	Suggested to add/change
Preamble	No change	
P4HC ⁺ partners	Explain why P4HC ⁺ restricted to DPs only	Other agencies such as non-governmental organizations, private (not)-for-profit and government institutes are invited to join other relevant forums such as the Health Partners Group, Technical Working Group Health. P4HC ⁺ will seek actively dialogue with all interested agencies through special meeting.
Purpose	No change	
Specific objectives	No change	
Working operations	Developing a joint support plan may not be possible; merge related two bullet point without reference to join support plan	Where feasible, develop individual support plans in collaboration with other P4HC ⁺ partners, while exploring possible linkages and synergies of activities, hereby duly considering funding and commitment gaps and identifying resources to address these gaps
	As UHC is already on the political agenda but risks not to be achieved in an equitable manner change UHC to 'all aspects of UHC'. Also, bring the related bullet point higher	Where possible, P4HC+ members use their various entry points and diverse sectorial perspectives to advance all aspects of UHC on the political agenda.
	In addition to exchanging information on participation at trainings and workshops add 'coordinating participation' as this is already done	Exchange information on individuals supported for participation at trainings and workshops related to health financing and SHP toward UHC for stocktaking with the aim of promoting coordination and continuity of capacity building activities
	Secretariat exist but is not mentioned	A secretariat consisting at least of the P4H Country Focal Person supports the operations of P4HC ⁺ and its co-Convenors
Communication on behalf of P4HC ⁺	3 rd bullet point concerning (co)convenors: replace 'elected' by 'determined'; change convenor and co-convenors to two co-convenors	Rotating Co-convenors for P4HC ⁺ will be determined on annual basis
Schedule of meetings	First bullet point: concerning frequency of regular meetings: add 'at least'	Regular meetings at least quarterly with P4HC ⁺ partners to exchange plans, progress, requests, updates and to arrange for joint activities.
	2 nd bullet point; concerning six monthly meetings, change to 'on demand'	On demand with all interested parties to disseminate relevant information on activities by P4HC ⁺ partners and associated agencies
Review	P4HC ⁺ Convenor and co-convenor to be changed to co-convenors	P4HC ⁺ members will review on an annual basis this modus operandi and P4HC ⁺ performance, and determine P4HC ⁺ Co-convenors

DP = development partners, implying bi- and multilateral agencies
