Subject: Letter of Appreciation

I express my sincere appreciation to P4H for being a partner in organizing the National Forum on Social Insurance Reform, successfully held on 24-25 October 2012, in Ulaanbaatar, Mongolia.

I shall highlight that organizing this event including the discussion of the Long-term strategy draft on health insurance, has been very effective and timely action for Mongolian Government. In particular, I am pleased that the initiatives for reforming Social insurance system in Mongolia were taken at the outset of my administration which brought the Parliament and the social partners together to integrate their views and proposals on social insurance reforming goals.

The support and cooperation of International organizations such as GIZ, P4H, the World Bank and the World Health Organization has built a confidence to relevant bodies to start reform on Social Insurance in this initial period of new government of Mongolia. Also I believe the atmosphere to initiate the Social insurance Reform created during the Forum shall be inspirational for Government to accomplish the long term pension reform and the Social Health Insurance reform.

I believe that our cooperation on improving social protection of Mongolia will even intensify in future, through implementing next stages of the project "Strengthening Social and Health Insurance system". In this regard we are fully satisfied by the contribution of consultants of P4H, Mr. Holgert Thies, Mrs. Victoria Rabovskaja who worked for the project in Mongolia.

Thank you for your kind cooperation.

Sincerely,

ERDENE. S
