

Leadership for Universal Health Coverage

Supporting Leaders to Deliver Results

*Kick-off Workshop
Pretoria, South Africa
June 23-26, 2014*

Draft Agenda

Workshop Objectives:

To enable participants to

- Think about and practice the application of the concepts of Leadership for Global Responsibility and coalition building;
- Deepen their appreciation of the UHC reform environment.
- Gain skills to build effective alliances and broker consensus and commitment for needed changes.
- Get peer-support – build a network of practitioner-advisers from your co-participants.
- Practice key dialogue skills for collaborative leadership;
- Stakeholder influence mapping: Leaders learn technique and practice within their country group, with an emphasis on learning how to do this so that they can complete this with the assistance of their teams between workshops 1 and 2.
